Dear Mr. Childs:

Re: Extension Approval, Drilling Groundwater Monitoring Wells, Genwal Coal Company, Inc., Crandall Canyon Mine, ACT/015/032, Folder #3, Emery County, Utah

On December 4, 1991 the Division received a request from Brent Bovee of Earthfax Engineering to extend your timeframe for drilling two in mine groundwater monitoring wells. Due to the circumstances surrounding the request and Genwal's diligence in pursuing this requirement, an extension is hereby granted until the end of January 1992. We encourage you to make every effort to complete this requirement by that date.

If you have any questions, please contact me or Rick Summers.

Sincerely,
